

3rd Nerve- and Muscle Ultrasound Teaching Course

Friday, May 19th 2017

- 08.30 Welcome coffee and Registration, Industry Exhibition
- 09.00 Welcome and Introduction Anne-Kathrin Peyer
- 09.05 Best Nerve- and Muscle US papers since 2016 Einar Wilder-Smith
- 09.25 How to find the nerve: A new nerve Ultrasound Atlas David Lorenzana
- 09.35 Anatomy, Live US Brachial Plexus and Roots David Lorenzana
- 10.05 – 10.35 Coffee break**
- 10.35 Hands-on workshop: Brachial Plexus and Roots
- 11.15 Hands-on workshop: Anatomy basic and advanced
- 12.45 – 13.45 Lunch break**
- 13.45 Role of US in the assessment of nerve traumas from the neurologist's perspective Einar Wilder-Smith
- 14.15 Neurosurgical procedures in nerve traumas: what is possible? Maurizio Calcagni
- 14.45 Hand-on workshop: Nerve Entrapments
- 16.15 – 16.45 Coffee break**
- 16.45 Intraoperative Neurography Andreas Schiller
- 17.05 Intraoperative High Resolution Ultrasound Maria Teresa Pedro
Ralph König
- 17.35 End**

Saturday, May 20th 2017

- 08.00 Morning Coffee and Industry Exhibition
- 08.30 MR Neurography Michael Ho
- 09.00 Hands-on workshop: Neurotraumatology/Tumors
- 10.30 - 11.00 Coffee break**
- 11.00 Dysimmune, paraproteinemic and hereditary neuropathies: how to differ by US Alexander Grimm
- 11.30 Hands-on workshop: Dysimmune, paraproteinemic and hereditary neuropathies
- 13.00 - 14.00 Lunch break**
- 14.00 How to get a Swiss Neuromuscular Ultrasound Certificate Ludwig Schelosky
- 14.10 Muscle US in ALS and myopathies Anne-Kathrin Peyer
- 14.40 - 15.10 Coffee break**
- 15.10 Hands-on workshop: Muscle US
- 16.40 Course evaluation, thanks and good bye Anne-Kathrin Peyer
- 17.00 End**

Tutoren und Speakers:

Prof Dr. Einar Wilder-Smith, Yong Loo Lin School of Medicine, National University of Singapore and Neurozentrum Luzern
 PD Dr. Alexander Grimm, Neurologische Universitätsklinik Tübingen
 Dr. David Lorenzana, Departement Anästhesie, Luzerner Kantonsspital
 Dr. Anne-Kathrin Peyer Kauffmann, Neurozentrum, Luzern
 Dr. Stephan Mittas, Neurozentrum, Luzern
 Dr. Ludwig Schelosky, Neurologie, Spital Münsterlingen
 Dr. Andreas Schiller, Plastische Chirurgie und Handchirurgie, Universitätsspital Zürich
 PD Dr. Maurizio Calcagni, Plastische Chirurgie und Handchirurgie, Universitätsspital Zürich
 Dr. Michael Ho, Institut für Diagnostische und Interventionelle Radiologie, Universitätsspital Zürich
 Dr. Maria Teresa Pedro, Neurochirurgie, Günzburg, Universität Ulm
 Prof. Dr. Ralph König, Neurochirurgie, Günzburg, Universität Ulm
