

Best Movement Disorders Paper Award 2016

unrestricted educational grant donated by Zambon Switzerland

- Have you published an original paper in 2016 about movement disorders?
- Are you Swiss or have you written your paper while working at a Swiss University / Hospital?
- Are you less than 40 years old?

If you answer all three questions with yes, please do not hesitate and apply for the Best Movement Paper Award 2016 no later than June 15, 2017 with catherine.pham@unige.ch. The papers will be evaluated by the members of the scientific committee constituted by Georg Kägi, Claudio Pollo, Michael Schüpbach & Christian Lüscher. The winners will be invited to present their work at the 9th Movement Disorders Symposium in Lucerne on September 1, 2017.

**9th Movement Disorders Symposium
in Lucerne,
August 31 - September 1, 2017**
